Reach For The Stars

Global Congress & 35 Year Celebration

15-16 Nov 2024

Cannes, France

**Bienvenue
and Welcome
to Cannes!**

Dear Colleague,

We are delighted to welcome you to our **Global Congress & 35 Year Celebration**. This year, the stars have aligned for a truly unforgettable experience, concluding the celebration of Alpha-Bio Tec's 35 years of legacy, education, and community.

Reach For The Stars sets the stage for excellence, where globally-acclaimed clinicians will share their inimitable experience. During two exciting, information-rich days of learning, knowledge sharing, and networking, we will shine a spotlight on the recent advancements in the world of implantology. This event will give you the tools you need to 'reach for the stars' – and beyond in your practice.

At Alpha-Bio Tec, we take pride in our 35-year commitment to educating and training our customers across the broad spectrum of implantology. This year, you will hear from world-renown experts, who will not only inspire you – they will empower you. You will learn about the latest techniques in digital dentistry, dental esthetics, implant rehabilitation, guided bone regeneration, and more. An exciting roster of industry thought leaders will deep dive into clinical cases and cutting-edge procedures, matched with valuable insights and recommendations to implement in your daily practice.

A warm welcome to magnificent Cannes on the beautiful French Riviera, where you will have the opportunity to be part of Alpha-Bio Tec's global community, network and meet with colleagues, old and new, and join in a gala dinner celebration of our 35th anniversary year. Together, we will reach for the stars!
